Ref.: Cancellation of the 26th Coarse Angling European Championship

Dear Sport Friends,

We regret having to inform you that considering the increase of covid cases in Portugal, which unfortunately, according to the forecasts, will tend to grow in the next weeks, and also due to the remarkably small number of registered nations, the FIPSeD Steering Committee, met yesterday in an extraordinary session, in agreement with the organisers, has decided to cancel the 26th Coarse Angling European Championship planned to be held in Coruche from 19 to 25 July.

The championship is therefore cancelled and postponed to next year in Portugal.

We apologise for the inconvenience which went beyond our will.

The Secretary General
Barbara Durante
